

**HARYANA GOVERNMENT**  
**DEPARTMENT OF HEALTH & FAMILY WELFARE**  
**ORDER**

The COVID-19 pandemic not only presents a public health crisis but also imposes a great financial hardship on most of the vulnerable population. The Government of Haryana has been taking various measures to combat COVID-19 Pandemic and is providing free testing and treatment in Government Hospitals across the State. The COVID patients, suspected or confirmed, may require to get investigated for HRCT Chest and other Lab investigations such as IL-6, D-Dimer, LDH, CRP, Procalcitonin, Ferritin, etc. However, various observations of uneven and exorbitant rates being charged by various Private Hospitals/ Diagnostic Centers/ Labs have been received via media and other modes.

2. Therefore, after due consideration on the matter and advice of experts, taking into account the cost of reagents & consumables; the State Government exercising the powers bestowed under the Epidemic Diseases Act, 1897, limits the maximum charges to be levied for CT/ HRCT scan of chest and other lab investigations required for diagnosis/treatment of patients of COVID-19/ post-COVID sequelae, as tabulated below:

<b>Sr. No.</b>	<b>Investigation</b>	<b>Maximum Charges in Rs.</b>
1	CT/ HRCT Chest	2100
2	IL - 6	1000
3	D - Dimer	400
4	LDH	250
5	CRP	350
6	Procalcitonin	1500
7	Ferritin	300

4. The rates are inclusive of all the expenses involved in testing i.e. PPE, packing, documentation, reporting and GST/ Taxes (if any). However, in case of home collection; an extra amount of Rs. 200/- per home visit, irrespective of number of samples collected, is allowed to cover the expenses incurred for transportation/PPE kit/ manpower/etc.

5. These rates are not applicable to the CT Scan centers providing services to Health Department under PPP mode, for which the existing rates would prevail.

These orders are issued with the approval of Competent Authority and come into force with immediate effect. Non-adherence to these orders may invoke penalty under Section 188 of the Indian Penal Code.
