B. Provision of Free Laboratory Investigations

Under Mukhymantri Muft Ilaj Yojana, all basic laboratory investigations shall be done free of cost for all the patients coming to the Government Health Institutions of Haryana. Following are the important components of provision of free investigations:

- i. In the first phase, all basic investigations which are presently being done in the Health Institutions will be offered free for all the patients coming to the Government Health Institutions of Haryana. A list has been laid down, around 69 tests (Annexure-'D'), which enlists all those investigations which shall be offered free Government Health Institutions of Haryana, wherever available.
- ii. In District Hospitals of Haryana, a minimum of 30 investigations shall be provided free for all patients (Annexure – E)
- iii. In remaining institutions (SDH, CHC, PHC, Urban Dispensaries etc) all those investigations which are being done shall be provided free for all patients
- iv. Diagnostic investigations like ECG, X-Ray and USG, wherever available, will be done free of cost for all the patients coming to the Government Health Institutions of Haryana.
- v. Only those investigations will be offered free, which are being done in the Government Health Institutions. Any investigations which have been outsourced to or empanelled to non Government Health Institutions, like Red Cross and others, for these, the patient has to pay for the investigations himself.
- vi. Certain investigations of higher level like hormonal assay (T3, T4, TSH, LH, LDH, FSH, CPK, CPK MB, Prolactin etc), CT, MRI, Holter, EEG, Echocardiogram, Bone Density, mammography (complete list attached at Annexure –F) wherever available in the Government Hospitals will be provided at subsidized rates and the patient has to pay for them.

In medico legal cases, the investigations shall be free only for road side accident cases, sexual assault cases (for victim). For all other MLC patients, charges of investigations shall be as per existing norms.

Provision of non free investigations free (ANNEXURE – F):

In case of certain categories of patients, non free investigations shall be provided free to the following patients:

- i. BPL + Urban Slum Patients of Haryana
- ii. Patients receiving Handicap Allowance from Haryana Government
- iii. Poor Patients who do not belongs to any free category
- iv. Patients belonging to S.C. categories of Haryana
- v. Patients belonging to Economically Weaker Section of Haryana(as per the Haryana Government Reservation policy).
- vi. Unattended victims of Road Side Accident
- vii. Haryana Government employees, pensioners and dependents

For these services, the patient will have to submit the required certificate photocopy. For e.g. copy of his BPL card/ Haryana Disability pension certificate/His scheduled caste category certificate etc.

C. Free Indoor Services

Under MMFY the State Government with the initiative of free dugs and free investigations for all, all the services in the indoor ward shall be free for all. The patient(except delivery cases and unattended road side accident cases) has to just pay charges of Rs 10 for admission fee as per prevailing practice. The patient will not have to pay anything for investigations conducted in the hospital (List of Free investigation -annexure D) and treatment in the ward.

However, the patient who gets admitted in a private ward has to pay the private ward charges. The medicines and investigations shall be covered under MMFY.

D. Provision of Free Drugs:

Provision of free drug is as per the free drug program, which is running in the state since 2009. Under this program all possible efforts are being done to provide all medicines free to everyone. An EDL has been laid down and the provision of free drugs will be according to the EDL.

Local purchase of items is allowed as per the Local purchase policy of the Health Department.

gnd

nd

The detailed guidelines for the purchase of drugs which are on EDL but are not available in drug warehouses, and those which are not on EDL shall be issued separately by the drug branch.

E. Referral Transport

The 102 referral transport program is being run in the state since 2009. Under this the following services are provided.

- Free transport is allowed to all patients in case of emergency/accident to public health facilities and on payment @ Rs7/- per km to private health facilities.

These services have been further liberalized and the free services are also being provided to:

- o Pregnant women.
- o Sick children upto the age of five.

F. Free Dental treatment

Presently 23 dental procedures are being charged in the Health Department Haryana. Under MMIY, now all these 23 procedures (Annexure G) shall be provided free for all the patients coming to the Government Hospitals of Haryana, wherever available. Out these 23 procedures, 18 procedures (Annexure H) would be ensured free at all the Health Institutions of the State.

G. Financial Instructions:

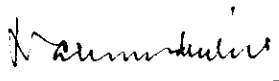

- a. The budget under MMIY would be released by DGHS to respective District Health & Family Welfare Society as Grant-in-Aid, in lieu of user charges which used to be collected from the patients for various services provided to them. Now user charges would be replenished as Grant-in-Aid by State Govt.
- b. Civil Surgeon has to open a sub-head account under by the name of "Mukhyamantri Muft Ilaaj yojana".
- c. On receiving the Grant In aid, District Health & Family Welfare Society should initially transfer 50% of the total budget to the DH(SKS). Further allocation of the funds to each SKS of the district will be as per the demand of that institution.
- d. The accounts relating to receipt, expenditure-and maintenance of accounts under "Mukhyamantri Muft Ilaaj Yojana" shall be maintained separately in by Swasthya Kalyan Samiti of the individual institutions.

Sd/-

Md

- e. 7 separate entries in the ledger of MMIY have to be maintained by each of the institutions, i.e. for free surgeries, SPP, free labs, Paid Lab, free IPD, free ECG, X-ray & USG and dental treatment.
 - f. The expenditure incurred on user charges on all other activities of the hospital has to be entered as per prevailing practice.
 - g. The amount required to meet out the above expenditure would be required to be met from the existing resources of District Health & Family Welfare Society during the remaining three months of current financial year 2013-2014.
 - h. The funds for the current financial year 2013-2014 are expected to be made available with the department during first week of March 2014 after the Budget Session. After that these would be transferred to respective District Health & Family Welfare Society. So it is desired that the actual expenditure of January & February 2014 and tentative expenditure of March 2014, must be communicated to this office up to 5th of March 2014 positively.
 - i. DHFWS will obtain the monthly expenditure from each of the institution and will send the utilization certificate by 10th of each quarter, to DGHS.
 - j. For implementation of this scheme, DGHS would be the monitoring and supervisory authority over District Health & Family Welfare Society. All district health societies would be responsible for implementation of MMIY and would be accountable to the Govt. through DGHS as funds are being released by DGHS as grant-in-aid of user charges (Account of SKS). The books will be opened for inspection by the representatives /statutory institutions of any State/Central Govt.
- For any further queries contact Dr M.P. Sharma at 09888770172.

Health Department Notification regarding formation of committee for poor free category patients

From

Director General Health Services, Haryana
Panchkula

To

All Civil Surgeons, PMO/MS Of the State

No MO/MA/2013/SPP/513-528

Dated- 23/12/2013

Subject: Committee for determining eligibility of poor patients who do not fall in any free category

On the subject mentioned above note that Government of Haryana has decided to implement Mukhyamantri Muft ilaaj yojana from 01.01.2014. Under this program the citizens will be provided majority of healthcare services free in all Govt Institutions of Haryana.

For certain categories of patients, even implants and non free investigations are free.

A new category, poor free patients who do not belong to any free category, has been added which shall receive all services free.

For determining the eligibility of Poor patients who do not fall in any free categories of Surgery Package Programme(SPP), a committee at the District Hospital will verify the claims of such poor patients who do not fall in any free category.

The committee shall consist of:

1. PMO/MS of the Hospital- Chairman
2. Treating Surgeon
3. One additional senior Doctor of the Hospital
4. RMO of the Hospital
5. Nursing Sister

The committee should look into the monthly income, MGNREGA card, BPL card status of other states and other points for verifying the claim.

The report of all such cases along with the justification of why these patients were provided free surgeries should be sent to the directorate along with the compiled report of the Surgery Package Program.

For any clarifications, contact Dr M. P. Sharma at 09888770172.
