6	Medicamen Biotech Ltd.	<p>The fairness of things that vial the corporation expects lowest possible rates, it should follow the norms that are now given by the other procurement agencies who now state that the rates quoted should be the lowest for supplies within the state. State trust the corporation would look into this aspect seriously to ensure that party is brought in its procurement system in line with the system followed by other major procurement agencies in the country.</p>	No change
7	Crystal Pharmaceuticals	<p>The Hon'ble Supreme court of India has already ordered not to imposed WHO-GMP certificate with COPP item wise as WHO-GMP is meant only for export purpose supported by documentation of Drug control general of India and further</p>	<p>After Hon'ble Supreme Court orders, there are three orders in different Hon'ble High Courts of India i.e. Aurangabad bench of Bombay High Court order Case No. 7823/ 2009, Indore bench of</p>

		<p>decision taken by the State drug controller in the last meeting of Drug advisory board as well as in the minutes of Principal Secretary/Commissioner health Haryana .You are requested to either make necessary amendment with relaxation of WHO -GMP otherwise it will be contempt of Hon'ble supreme Court of India which will be dealt by over Hon'ble Senior Advocates. In the end of once again we strongly protest the condition laid Down at page no-17 of paragraph 4.2 to remove the WHO-GMP condition It should be only GMP certificate According to New revised scheduled -M which has the same Identity for the purchase in India.</p>	<p>Bhopal High Court order Case No. 7049 & 6165 of 2013 and Jaipur High Court order Case No. 3211/2015 dated 2-9-2015 and the Honourable courts have given decision in favour of WHO-GMP. Two of these courts have considered the decision of the Hon'ble Supreme Court. Therefore this would not be the contempt of the Hon'ble Supreme Court. The inclusion of WHO-GMP inspection certificates in line with the WHO-GMP certification scheme and certificate of Pharmaceutical Products (COPP) has been laid down as a policy by the Government of Haryana vide its notification.</p>
8	Johnson & Johnson	<p>d) Also we suggest getting the Antibacterial/Triclosan sutures tested at a Microbiology lab along with Sample testing with the technical experts as a parameter to check the efficacy properties of the sutures.</p>	<p>Sample testing is the discretion of Bid Evaluation Committee wherever it requires as Para5.23</p>
