

Guidelines of Incentive for informer money for F.Y. 2016-17

The sex Ratio in Haryana can be improved by launching prosecution against the violators of PC & PNDT Act on the basis of the correct information of sex determination and female elimination given by informer.

The following is the criteria for the scheme:

- If somebody gives information of sex determination and female elimination and the information is found correct then on the basis of that information if the offender is successfully caught and it is Prime facie (FIR/court cases under PNDT) established that he/she was indulged in the illegal activity of sex determination or female elimination, the informer will be given an incentive of Rs. 1.00 lac as cash in single installment as fast as possible.
- The incentive will be given confidentially in cash on a proposal prepared by the concerned Civil Surgeon and approved by the concerned Deputy Commissioner.
- The identity of informer will be kept confidential with Civil Surgeon.
